

Situated at the foot of Edinburgh's spectacular Salisbury Crags, Dynamic Earth is the only centre of its kind in the UK dedicated to telling the story of planet Earth.

Through our 5 star tour, Dynamic Earth provides an outstanding and dynamic visitor experience using current and topical information and utilising the latest technology to communicate Earth and Environmental Science in a new and exciting way.

As a charitable trust we are able to provide an HMIE inspected, fully curriculum linked education service which links closely to the requirements of schools and responds to the need for lifelong learning.

Find out more online at
www.dynamicearth.co.uk/education

Our education programme isn't just for your pupils. If you want to know more about how you can increase your depth of understanding on any topics we cover we can help. Contact our Education Manager to discuss your requirements at christine.angus@dynamicearth.co.uk

Continuing Professional Development

The Scottish Government, with Dynamic Earth is delighted to be able to offer assistance with the cost of transport to many schools and groups across Scotland. Our transport subsidy can cover the cost of transport to Dynamic Earth up to the value of £4 per child (against the full cost of transporting your group).

Qualifying criteria does apply and any subsidy must be claimed within 6 months of a visit. To find out if your school is eligible please contact us on **0131 523 1273**.

Transport Subsidy

Actively engaging young children and pupils from 3 years to 18 years with opportunities for both intra and interdisciplinary learning, you can choose from immersive storytelling, investigative workshops, topical group debates or inspirational lectures covering social studies, the sciences, technology and expressive arts. For full details of our education programme including more detailed activity topics and curriculum links please visit www.dynamicearth.co.uk/education

Curriculum for Excellence

We have worked closely with practising teachers to develop a new, creative and inspiring range of activities suitable for you to use in the classroom, the school hall or even the playground! Our activities, covering topics from the tropical rainforest and volcanoes to climate change and energy use in the future, aim to extend the experience of your pupils at Dynamic Earth by integrating craft, debate, investigation and song, increasing the longevity of a visit or simply supporting your curricular activities at school.

All activities are intrinsically linked with the Curriculum for Excellence, come with recommended websites to help you and your pupils discover more and are downloadable for free in pdf format from our website at www.dynamicearth.co.uk/education

DYNAMIC EARTH TOUR

FEATURING

ADVENTURE!

Dynamic Earth invites you and your pupils on the Mother Earth of all adventures. Feel the Earth move as a volcano explodes beneath your feet, fly over glaciers before outsourcing dinosaurs on the edge of extinction. Explore the oceans and feel the deep freeze of the Polar regions before embarking on 4DVENTURE, Scotland's only 4D experience. With a final crash landing in the steamy humid Tropical Rainforest you can't fail to inspire curiosity in your pupils for this amazing planet we call home.

- Dynamic Earth Tour **90 minutes**
- Discovery Workshop **60 minutes**
- ShowDome **30 minutes**

DISCOVERY WORKSHOPS

Our HMIE inspected education service seeks to enthuse and encourage young people with challenging, relevant and enjoyable workshops, storytelling activities and debates. All workshops are intrinsically linked to the Curriculum for Excellence and take place in a stimulating and unique environment.

Delivered by a team of highly qualified science communication professionals our programme contains over 20 activities covering a broad range of Earth, environmental and social science topics delivered in innovative and engaging ways. Look out for our new 'Let's Talk' series covering communication skills and podcasting and an insightful workshop for older secondary school pupils on Scotland's Energy of the Future.

SHOWDOME

Dynamic Earth presents a range of state-of-the-art, curriculum linked movies in our immersive 360° Dome Film experience. For dates and screening times, or to book your group in, please contact us on **0131 523 1273**.
