RESULTS

I mostly answered A - you are a **CHEEKY MONKEY**, such as the howler monkey from South America, I don't think you and Colin would get on!

I mostly answered B - you are a **CLASSIC CAVEMAN**, your hunter-gatherer lifestyle is just like Colin's, I'm sure you will be great friends!

I mostly answered C - you are a **MODERN DAY MAN**, your sophisticated tastes are too advanced for Colin, I don't think you would have anything in common!

FACT! Stone tools made by our earliest ancestors have been found in Africa. They are 2.5 million years old!
