Dino's Workshops

Come along to Dynamic Earth on Saturdays during term time for 1½ hours of crafty fun. You can book online or fill out the form across the page and send it back to us. Dino has made twelve new workshops to keep you entertained all year long.

Workshops cost only £1 which is payable at the ticket desk on the day. You don't need to bring your parents to the workshop, just get them to sign you in at the start and sign you out at the end.

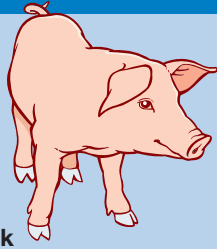

Dino's Dynamos (age 6-14)

Physical Matters

What is a CD made of? Where does metal come from? Have a look at the materials we use everyday and make some fantastic plastic pictures.

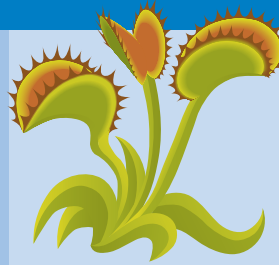

Oink

Pot-bellied, bearded, pygmy, curly haired and micro! Take a look at some weird and wonderful swine from across the globe before decorating your very own piggy bank.

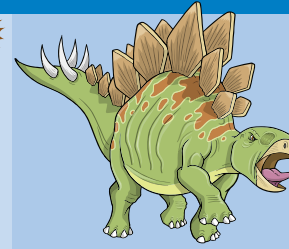

Life in Space

Astronauts don't go into space for one or two days; they are there for months or even years! Find out what it is like to live in space. Create your own space rocket from our recycled bottles.

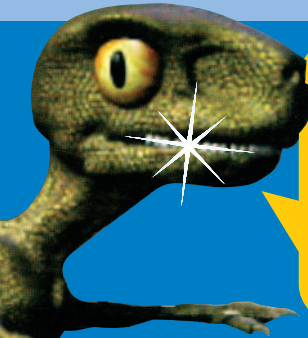

Wonderful World of Plants

Learn about the amazing ways that plants defend themselves from predators. Come along to find out more!

Ultimate Dinosaurs

Which dinosaur amazes you most? The fastest, the biggest or the smartest? Design a clay dinosaur with spines and spikes, scales and tails.

Dino's Dynamates (age 10-14)

If you are aged 10+ we have a special club for you. Dino's Dynamates have experiments and challenges to excite and intrigue. We will be producing podcasts, investigating a crime scene, looking at physical properties of goo, thinking about how big space is and comparing rocks with sweetsies!

Register now to book your place.

Seasonal Specials (age 6-14)

Arctic vs Antarctic The North and South Poles are very different. From the animals that live there to the ground they walk on. Take away a penguin or polar bear pencil holder to keep your desk tidy!

Easter Eggs Take a look at the different seasons and discover what causes Autumn, Winter, Spring and Summer. Create an Easter basket full of marbled, glittered and painted eggs.
