

Meet Sammy the Seal and his sea-side friends in this interactive storytelling workshop. Join him on his journey across the beach and help him find out what animal he really is!

Your pupils will effectively contribute in an interactive storytelling session where they will go on a journey with Sammy the Seal. They will discover the rich diversity of life at the sea-side and learn how these animals are adapted to life on the beach. During this workshop pupils will get the opportunity to hold real specimens including shells, seahorses, crabs and shark teeth! They will be enthused and have a motivation for learning, using sound, movement and actions to enhance enjoyment and develop knowledge and understanding.
