Your amazing adventure is about to begin...

This chart is intended as a guide to the time we'd suggest you spend in each of our galleries to get the most out of your adventure. To fully appreciate the experience we recommend you allow approximately two hours for your journey. There's so much to see and do and we don't want you to miss any of it – but please feel free to go at your own pace and spend as little or as much time as you wish exploring. Above all have fun.
