

DINO'S DYNAMOS PUZZLE

Garden A to Z

Your garden is full of amazing things! Have you ever stopped to look at them?

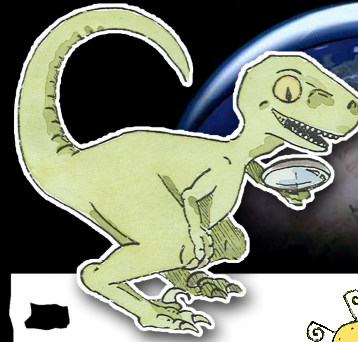

Dino challenges you to find something in your garden that begins with each letter of the alphabet. For example F could be flowers and S could be sticks. Fill out the opposite page for each of your items. The first five to be sent to Dino will win a fantastic Dynamic Earth prize!

If you don't have a garden, why not head to your local park? You and your friends could make it into a competition to see who can finish first. Some of them are very tricky such as X, Y and Z!
