

On The Day

The arrival time should be 15 minutes before the party time, this will allow time for children to go to the toilet and adults to pay for the party before the fun begins.

Parties should meet at the ticket desk at the arrival time.

We prefer a minimum of 1 adult for every 5 children to accompany the children round the attraction. We do provide a dedicated guide for the party but they should not be left on a one to one basis with any child at any time. If a child requires individual attention then a parent or helper from your group is required to assist.

We have car parking facilities under the building for which a charge does apply. Parents who are dropping off and picking up can come into the turning circle at the front of the building.

Booking Information

Parties must be booked a minimum of 11 days in advance and when booking your birthday party we require the following information:

- Name, address and phone number of parent or guardian.
- Name and age of birthday child.
- Date, and time you would like your party.
- Number of children and number of adults being invited to the party.
- Style of party required.
- Would you like us to provide goodie bags?

No deposit is required. We ask you to pay on the day for the number of children that attend.

For any queries, please call Chris Hunter on 0131 523 1273 (Monday - Friday) or 0131 550 7800 at weekends, or email chris.hunter@dynamicearth.co.uk.
